

**NORTHWEST I-75/I-575 CORRIDOR**

**APPENDIX C**  
**LIST OF PREPARERS**

## **APPENDIX C - LIST OF PREPARERS**

### **Federal Highway Administration**

|  |   |
|--|---|
| Wayne Fedora, PE, MCE                              | Civil engineer with 17 years of experience in transportation engineering  |
| Jennifer Giersch<br>Environmental Coordinator      | B.C.E., Georgia Institute of Technology; M.S.C.E., University of Kentucky. 17 years of NEPA experience with transportation projects.  |
| Andrew Edwards<br>Metropolitan Planning Specialist | M.S. and B.S. in Environmental Engineering with 11 years of experience in transportation and air quality program and project planning |

### **Georgia Department of Transportation**

|  |  |
|--|--|
| Darryl D. VanMeter, P.E.<br>Assistant State Urban Design<br>Engineer/Program Manager | B.S. in Civil Engineering from the University of Cincinnati; Registered Professional Engineer, GA; 12 years experience in highway / Interstate design and project management.  |
| Susan Knudson<br>Assistant State<br>Environmental/Location Engineer                  | B.A. in History and Psychology from Georgia Southern College (now Georgia Southern University) in 1975; Master of City Planning, thesis option in Environmental Planning from Georgia Institute of Technology in 1979; A little over 31.5 years of experience with GDOT primarily in NEPA but have managed NEPA, Ecology and Air and Noise Sections. |
| Keisha L. Jackson<br>Air/Noise Analysis<br>Public Involvement Section Chief          | B.A. Environmental Studies, Warren Wilson College 1996. Seven years with GDOT writing and reviewing NEPA documents, past 2.5 years NEPA manager, last 6 months Air/Noise Section Chief   |
| Abby Ebodaghe, EIT<br>Traffic Analysis Manager                                       | B.S. in Civil Engineering Technology from Southern Tech., EIT with 9 years experience in Design Traffic and 5 years in construction.   |
| Christopher Coppola<br>Ecologist<br>Ecology Manager                                  | M.S. in Biology, Purdue University and B.S. in Biology, Berry College. 17 years experience in conservation biology of federally protected species. 4 years experience in wetland science and transportation projects.  |
| Jaime M. Collazo<br>Ecologist  | M.S. in Environmental Science & Policy, University of South Florida; B.S. in Biology, University of Central Florida with 4 years of experience in environmental assessment and review.   |

Lisa Westberry  
Ecologist

Lisa Westberry has been an ecologist with the Georgia Department of Transportation for 15 years. Her undergraduate and graduate work was completed at Georgia Southern University. Since 2000, Ms. Westberry has been an Ecology Unit Manager with GDOT responsible for coordinating the completion of ecological studies and Section 404 permitting with the Department's work program.

Sandy Lawrence  
Historian  
History Manager

Graduated from UGA with a Masters in Historic Preservation in 2000. Have worked for GDOT for the past 6 years. Have been manager of the history unit for the past two years.

Eric Duff  
Archaeologist

A.A. in general studies from Pensacola Junior College in 1986; BA in Anthropology from the University of West Florida in 1989; MA in Anthropology from the University of Mississippi in 1994

Mr. Duff has over 21 years experience in the field of Archaeology, focusing on Cultural Resources Management; thirteen of those years have been with GDOT, seven of which have included managing the Archaeology Unit.

William R. Bowen  
Section Chief, Special Studies

A.B. 1973 (Anthropology), University of Georgia, Athens; M.A. 1975 (Anthropology), University of Tennessee, Knoxville; Ph.D. 1989 (Anthropology), University of Tennessee, Knoxville. Experience in archaeological research of the Southeastern United States since 1973; including survey, excavation, research, and cultural resource management. With GDOT since 1978.

### **Georgia Regional Transportation Authority**

Marvin Woodward

B.S. In Civil Engineering from the Pennsylvania State University with 24 years in transportation engineering.

Crew Heimer

B.S. in Civil Engineering from University of Maryland with 30 years in transportation engineering.

### **Parsons Brinckerhoff, Inc.**

Roger A. Palmer, PE  
Project Manager

B. S. in Civil Engineering; Registered Professional Engineer with 35 years experience in transportation design and preparation of construction documents.

Robert R. Moses, PE  
Deputy Project Manager

M.S. Systems Analysis, Georgia Institute of Technology, 1993; B.S. Civil Engineering, Johns Hopkins University, 1989 with 16 years of experience in civil engineering.

|  |  |
|--|--|
| Dennis Henderson, AICP<br>EIS Manager  | B.A. in Political Science, and Masters in City Planning with 29 years of experience in transportation and environmental planning and preparation of NEPA documents.  |
| Alice Lovegrove<br>Senior Environmental Engineer<br>Air Quality                    | M.S. in Environmental and Waste Management and B.E. Engineering Science with 19 years of experience in air quality analysis.   |
| David McBrayer, AICP<br>Operations Planning  | B.A. Architecture with 43 years of experience in transportation planning.  |
| Amy McAbee-Cummings, AICP<br>Senior Planner<br>Visual Quality                      | B.A. in History and Master of Community Planning with 7 years of experience in urban and regional planning, transit planning, and environmental planning.  |
| Betsy Minden, AICP<br>Environmental Coordinator,<br>NEPA Documentation             | B.A. in Biology and Master of Urban Planning with over 27 years of city planning, environmental impact assessment, preparation of NEPA documents, and construction permitting.   |
| Troy Illig, PE, PTOE<br>Senior Transportation Engineer<br>Traffic Analysis         | B.S. in Civil Engineering with 21 years experience in traffic engineering, transportation planning and civil engineering.  |
| Florence Ngai  | B.Sc. and Master of Science in Civil and Environmental Engineering with 19 years of experience in travel demand modeling, traffic simulation modeling, and transportation planning, and transit planning.                                    |
| Dr. Balu Balachandran<br>Supervising Environmental Engineer<br>Noise and Vibration | B.S. in Physics, and Ph.D. in Acoustics with over 40 years of experience in noise, vibration and architectural acoustics for institutional, commercial, residential, highway and transit projects. PB's lead noise and acoustics specialist. |
| Gabriella Yanez-Uribe  | B.S. in Civil Engineering, and Masters in Civil Engineering with 7 years of experience in traffic engineering and noise analysis in highway, transportation and planning projects.   |
| Mary Best<br>Principal Engineer<br>Environmental Science                           | Ph.D. in Soil Science; M.S. in Biology with 30 years of experience in NEPA environmental assessments, specializing in ecological studies.  |
| Jonathan Sell<br>Senior Environmental Scientist                                    | B.S. in Environmental Science with 8 years of experience in ecological assessments, endangered species surveys, and Section 404 permitting.  |
| Devon Brannen<br>Environmental Scientist   | M.S. in Biology and B.S. in Biology with 3 years experience in ecological assessments, permitting, and preparation of NEPA documents.  |

|  |   |
|--|---|
| Matthew McDaniel<br>Senior Historian<br>Historic Resources                               | B.A. in History and Master of Historic Preservation with 8.5 years of experience in cultural resources planning and regional planning.  |
| Timothy Hatton   | B.A. in English and M.S. in Urban Policy Studies with 5 years of environmental and community planning experience  |
| Preston Elliott, AICP  | M.S. in Public Administration and B.S. Social Science with 14 years of experience in land use and transportation planning   |
| Ira Hirschman, AICP  | B.A. and M.S. in Economics; Ph.D. in Urban and Regional Planning. 26 years in transportation and infrastructure related economics and finance.  |
| Ray Magsanoc<br>Senior Planner<br>Hazardous Materials                                    | B.S. in Geology with 10 years of experience in Phase I, II, and III Environmental Site Assessment; regulatory audits and review; hydrogeology, geotechnical engineering, and environmental planning.  |
| Jonathan Adams<br>Graphic Designer   | B.A. Florida State University, 1981 with 18 years of experience in graphic arts.  |
| Jonathan Reid, PE, PTOE  | M.S. and B.S. in Civil Engineering with 13 years experience in traffic and transportation engineering, specializing in operations analysis and microsimulation.   |
| Eddie Tadross<br>Environmental Planner   | B.A. in Earth Sciences and B.A. in Environmental Studies with 8 years of environmental planning experience with specialization in air and noise   |
| Mei Wu, PE<br>Senior Environmental Engineer<br>Air Quality                               | M.S. in Environmental Science and B.E. in Biomedical Engineering with 9 years of experiences in Air Quality   |
| Becky Blatnica, AICP<br>Senior Planner   | B.A. in History and Geography and M.S. in Community and Regional Planning with 8 years of experience in urban and regional planning, environmental planning, and transportation planning.   |
| <b>R. S. Webb &amp; Associates</b>   |   |
| William R. Jordan, RPA<br>Principal Archeologist<br>Principal Investigator<br>Archeology | M.H.P. from Georgia State University, with 15 years of professional experience in cultural resource management, including 12 years directing archeological survey, testing and data recovery projects. Extensive experience with archeological field work, report writing, National Register of Historic Places evaluation, historical research, and laboratory analysis. |

### **Sycamore Consulting**

Liz Sanford Stepp, AICP  
Communities, Neighborhoods, and  
Environmental Justice Analysis

B.A. in Urban Studies and M.C.P. in Urban and Regional  
Planning with 20 years of planning and public involvement  
experience.

Kristine Hansen-Dederick, AICP  
Public Involvement

B.A. in Archaeology and M.C.P. in Urban and Regional  
Planning with 5 years of planning and public involvement  
experience.

Jen Price  
Environmental Justice; Community  
Facilities

B.S. Bethune-Cookman College, Mathematics;  
B.S. Florida A&M University, Civil Engineering;  
MS Florida State University, Urban and Regional  
Planning with 5 years of experience

J Byron Rushing  
Environmental Justice; Community  
Facilities

B.A. Vanderbilt University, Political Science;  
M.C.P. Georgia Tech, Urban and Regional Planning with  
2 years of experience
